

Irlam and Cadishead School Council

Here are your school council representatives:

Year 7: Amber Donaghain, Aiden Nicholson, Nathan Brooks and Harrison Whittaker

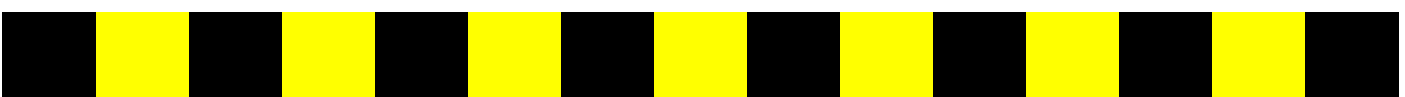

Year 8: Callum Goulden, James Fryer.

Year 9: Katie Croft, Megan Whittaker, Joe Power.

Year 10: No year 10 members. (At the moment)

Year 11: Christina Schaltegger, Hannah Woolley, Hayley Tawse.

If you have any issues please speak to some of our members and they will be brought up in our next council meeting.

Irlam and Cadishead School

Council

Irlam and Cadishead Community High - School Council

SPECIAL POINTS OF INTEREST:

- Do you know who your school council members are.
- Introduction to what we do as a council.
- Do you know why your council have a newsletter.
- What to do if you have any issues/ problems that you would like us to do discuss for our school.

RECENT POINTS ON THE AGENDA- WHAT WE HAVE BEEN DISCUSSING RECENTLY

- As most students know the building schools for the future is about to begin, we have had certain things like; improving the toilets on hold as they are planning to be done up in the next year or so.
- When the new BSF comes into school we are deciding to change the tie. Some of you took part in our designing a tie competition and now the governors have all of your entries.
- We are all in the process of having a notice board especially for the school council. This is where you will be able to see everything that we have been doing.

THE FIRST OFFICIAL SCHOOL COUNCIL NEWSLETTER

Hopefully most of the students know that Irlam and Cadishead have a functioning school council.

Why do we have a school council? We are the student voice.

As a council we meet up maybe once a month or maybe 2 to 4 times a term. We see if anyone has anything that they want to bring up and then we discuss each of the problems and notes are taken.

We decided to make a newsletter that will be

published around school, once a month so that you know what the council have been discussing and to see if you have any views on what we have been discussing.

How many of you know what the school council does- not many we guess. We are up to many things around school at the moment. We look at all of the issues that concern students. We look at toilets, fundraising issues, being an eco-friendly school. Recently, this year our school received a healthy schools award, for being a healthy school. This award wasn't just for what food we sell, it was an award

for different things like: Do we have a council that is active, what does the school offer for our students. Callum Goulden attended this meeting and the school received the award.
